

First Grade Homework

First Grade Homework - Teaching with First Grade Worksheets. Math: First graders will be introduced to more abstract math concepts, such as higher numbers, 2D and 3D shapes, time, and money. Skip counting and the use of counters will help kids build fluency with addition and subtraction. First grade math worksheets are especially helpful for building fluency. Find and save ideas about First grade homework on Pinterest. | See more ideas about First in math, First grade teachers and Homeschooling first grade. Using JumpStart's First Grade Worksheets. In first grade, children make big leaps in their academics, learning to read and write, doing more pencil-and-paper work, and getting regular homework. JumpStart helps make this transition easy for parents, teachers, and students by providing fun worksheets that children will enjoy completing. A fantasy story: spooky! A fantasy story: spooky! Read this story in a spooky voice! In this reading worksheet, your child will listen to and read a short story, then draw what comes next and create a title for the story.
