Mohawk College educates and serves 30,000 full-time, part-time and apprenticeship students. For the fifth consecutive year, Mohawk has ranked number one for overall student satisfaction among all colleges in the Greater Toronto and Hamilton area. Online learning courses provide you with the opportunity to learn online, anywhere, at your convenience! You can study at home or at work - wherever you like, whenever you like, within a prescribed time frame. Courses are delivered over a set time period and led by instructors. Most courses do not require that you be online at a certain time of day or night, but that you are active in the ...
